

## Bamboo Technology Park, Chaygaon, Kamrup (R)

Name of Project	Bamboo based Manufacturing Units
Project Location	Bamboo Technology Park, Industrial Growth Centre, Jambari -II, Chaygaon, Kamrup (R), Assam
About the Location	Chaygaon is located at Chatabari in the Kamrup (R) district. The site, comprising of 20 acres of land has been developed to provide standard infrastructural facilities for Bamboo Processing Industrial units.
Area of the project	Total Land: 20 acres Total Allocable Area: 6.61 acres
Infrastructure Facilities Available	Bamboo Technology Park (BTP) offers wide array of common processing facilities like: Facilities for Bamboo Stick Manufacturing: Cross cutting Machine, Splitting Machine, Slicing Machine, Sticking Making Machine, and Sizing Machine, Polishing Machine. Facilities for Bamboo plastic composite (BPC): Bamboo Crusher Machine, Powder Milling Machine or Pulverizer, Dryer Machine, Mixing Unit, Granulator or Palletizing Machine, Extruder Machines with Mould Profiles, Brushing and Sanding machine, Embossing Machine, Recycle Crusher Machine. Strand Woven Block facility Vacuum Pressure Treatment Plant facility Resin Plant facility Bamboo Charcoal Making Facility Administrative Cum Marketing Centre BTP facilities are available to all bamboo enterprises against user charge as fixed by BTP from time to time.

Medium & Large Industries in vicinity	<p>Bhogali Food Products</p> <p>KDG Food products</p> <p>Asian Thai Foods India Pvt Ltd</p> <p>Uma Polymers Pvt Ltd</p> <p>Sigma Spice Industries Pvt Ltd</p> <p>Oja Trade and Industry</p> <p>Sigma Food Industries.</p>
Connectivity	<p>Bamboo Technology Park is located in Jambari Industrial Growth Centre in Kamrup Rural district, its nearest town is 13 km away in Chaygaon and is 80 km from Central Guwahati. The international airport is 50 km from the location and the railway station at 78 km. It is connected by motor able road from NH 31.</p>
Investment Opportunity	<p>Investment Opportunity lies in setting up of manufacturing unit for Bamboo based materials like:</p> <p>Bamboo Flooring</p> <p>Affordable Housing Material</p> <p>Mat Board and Mat Sheets</p> <p>Bio-plastics</p> <p>Charcoal</p> <p>Medium Density Fibreboard (MDF)</p>
Nodal agency	<p>Bamboo Technology Park and Assam Industrial Development Corporation Ltd. (AIDC)</p>
