

## Establishment of Transformers Manufacturing Unit, Nalbari

Name of Project	Establishment of Transformers Manufacturing Unit
Project Location	Nathkuchi, Tihu, District: Nalbari (at the property previously belonging to Assam Syntex Ltd.)
Area of the Project	23 Acres
Focus sector	Power
Status of approvals	Greenfield Project
Project contours	<p>This project envisages in establishing a facility for transformer manufacturing unit which will manufacture different kinds of transformer for a variety of applications.</p> <p>The types of transformer will be based on their application, such as</p> <p>Power transformer (Ranging from 400 kV to 33kV),</p> <p>Distribution transformer (Ranging from 11kV to 3.3 kV, whereas 440 V and 220 V for domestic users) and</p> <p>Others (e.g. Rectifier transformer, Furnace transformer, specialty transformer, reactor and reactors and inductors.)</p>
Investment Opportunities	This project shall be developed through appropriate PPP model.
Connectivity	<p>The site is near National Highway 31</p> <p>Nearest Railway station Tihu – 4.5 km</p> <p>Nearest River including River Port: Brahmaputra River - Brahmaputra and Pandu Port – 80 km,</p> <p>Nearest Town/ Cities/ District: Tihu – 3 km, Pathsala – 7 km, Nalbari - 22 km, Barpeta Road - 32 km.</p>
Nodal agency	Assam Industrial Development Corporation Ltd. (AIDC)
