

Multi Sector Industrial Park, Bongaigaon

Name of Project	Multi Sector Industrial Park
Project Location	Bongaigaon
Area of the project	726 acres
Approx. Project cost	596,029,860 INR
Focus sector	Industrial Infrastructure
Status of approvals	Pre-feasibility report completed and approved
Project contours	<p>The proposed site is in the district of Bongaigaon, which is in close proximity to Bhutan, Bangladesh, Guwahati and West Bengal</p> <p>The district of Bongaigaon is one the most industrialized districts in lower Assam</p> <p>Proposed site is expected to have a good base for industrial development with adequate social infrastructure thereby creating an ideal situation for an integrated industrial and urban infra development.</p> <p>A new power generation plant of 750 MW is coming up at Salakati, Kokrajhar, which is at a distance of ~ 2.3 km from the proposed site.</p> <p>There are plans to extend the Duliajan-Numaligarh pipeline till Guwahati and then subsequently till Bongaigaon. At present the company has to capacity to transport 5.5 Million Metric Standard Cubic Meter Per Day of natural gas.</p>
Investment Opportunities	Given the proximity of the location to international borders and to the adjoining states, huge investment opportunities exists in diverse sectors as petrochemicals, plastics, food & agro processing etc
Connectivity	<p>The district is well connected by NH31C which connects it to West Bengal and rest of India and NH31</p> <p>There are two major railway stations in the vicinity of the site – the New Bongaigaon Railway Junction and Bongaigaon Railway Station</p> <p>The nearest airport is the Lokpriya Gopinath Bordoloi International Airport at Guwahati which is 179 km away from Bongaigaon.</p> <p>The nearest IWT Terminal is at Jogighopa, which is at a distance of ~44.5 km from the proposed site. 25 Acres of land has already been acquired to develop the terminal as a permanent terminal.</p>
Nodal agency	Assam Industrial Infrastructure Development Corporation (AIIDC)
